ABOUT MYSELF

Very positive person, hardworking, able to listen and assimilate information. I am attentive to details, have good analytical skills, like to work in a team. I like to get new knowledge. Leads a healthy lifestyle. During my life I spent a lot of time in sports, starting from the age of 7 and still do it. Also since 16 years worked for myself, the essence of my work was that I collected and configured equipment and after my certain adjustment this equipment began to earn money. Many people contacted me and that was my first experience.
I also worked with companions in the field of car rental and to this day I help the company in the introduction of this project.
I also study the world of IT, and I like it very much, I took two courses and learned a lot myself, using YouTube, Udemy, GitHub, etc.
